

Pope Francis said:

*“The saints were not perfect, but they let God touch their lives.”*

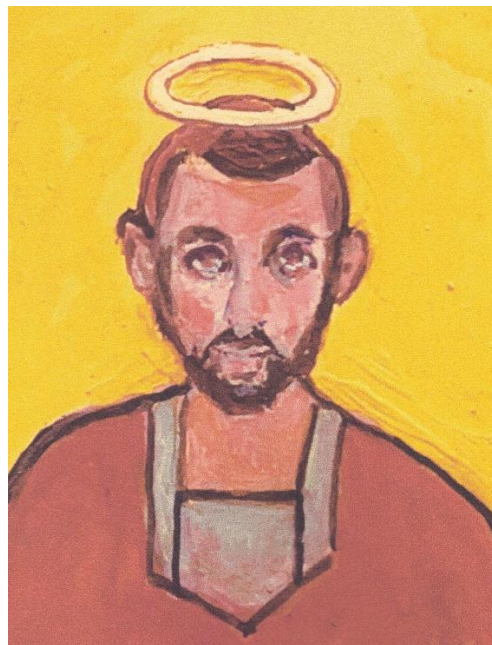

Saints are often shown with a halo. You can make your own halo!

You will need:

- A head band
- Gold pipe cleaners

Steps:

- 1) Take the headband and twist a pipe cleaner at the top.
- 2) Leave an inch or so of the pipe cleaner straight up.
- 3) Take several more pipe cleaners and twist them into a circle.
- 4) Attached the circle to the pipe cleaner attached to the headband.

Saint Ambrose of Milan
